Dear Mr. Kline,

On behalf of the Los Angeles Philharmonic Association, allow me to extend our heartfelt gratitude for the Project Play Foundation's in-kind donation of instruments for the LA Phil Affiliate Music Mobile Program.

Project Play's contribution will bolster the increasingly active and visible role Education plays at the LA Phil. The LA Phil Affiliate Music Mobile program, begun 35 years ago, has served over 525,000 third-grade students. With Project Play's partnership this year, the LA Phil's efforts will bring the experience of music to children and families who would not otherwise have access to this profound art form.

During this challenging economic time we are keenly aware that the Philharmonic owes much to supporters like you. Thank you for making such a difference. We look forward to a continued partnership.

Sincerely,
